

AN EARLY COLLEGE DISTRICT

BROWNSVILLE

INDEPENDENT SCHOOL DISTRICT

Early College High School Strategic Priorities

Benchmark	Priority	Strategies	Evidence/ Timeline
2: Partnership Agreements	Increase collaboration with IHE to provide continuous and multiple college and career focused advising services.	Schedule individualized and small group advising sessions provided by TSC and UTRGV.	
5: Academic Rigor and Success	Improve plan for TSIA2 success through academic preparation classes and interventions.	Draft testing calendar to allow for multiple testing opportunities for students. Create interventions and instructional plans to improve TSIA2 readiness and success. Monitor usage and success rate of district TSIA2 prep programs: APEX, Edgenuity and IXL. Plan for strong integration of TSIA2 prep during summer bridge to increase mastery.	
4: Curriculum and Support	Consistent tracking of core complete or associate degree plan for each student to meet attainment indicator.	Continue implementation of tracking spreadsheet by ECHS directors and all high school counselors. Involve students in the tracking process by providing them with the course crosswalk, scheduling IHE advising sessions, providing family engagement events, and presenting opportunities for college and career planning through counseling and presentations.
